

## THE CELESTINE HOTELS

ホテル ザ セレスティン 京都祇園

Loved by those who love the culture and  
aesthetic sense of Kyoto.  
This is the hotel we aspire to be.

The Kyoto of Gion and the street Yasaka-dori,  
recognized by someone who knows Kyoto by heart and glimpsed  
as they arrive at our hotel established in this quiet area.  
Built with the concept of an “aesthetic understanding of the scale of nature”,  
our hotel provides the experience of blending with Kyoto culture  
through a design that reflects “the distance of place”.

In all our rooms, you will find bathroom amenities from “THÉMAÉ”, the spa brand created in France in 2007 and inspired by the culture and art of tea. Manufactured under a strict control in Italy, the product range uses a blend of extracts from four types of tea (tea leaf extract: emollients).

\*The area of this room is calculated using the center line of the wall, including the pipe shaft. The number is rounded off to one decimal place.

# Large public bath (Japanese Spa style)
